

D Venkataramana

SEO Executive

Dear Hiring Manager,

I am excited to apply for the SEO Executive position at your company, where I can leverage my expertise in driving organic traffic growth and improving search rankings to deliver measurable results. With over 3 years of experience in the field, I am confident in my ability to execute effective SEO strategies that enhance user experience and drive business success.

In my recent role as SEO Executive at Invensis Technologies, I have developed a strong proficiency in on-page SEO, offpage SEO, technical SEO, and content optimization. I have successfully utilized tools such as SEMrush, Google Analytics, and Google Search Console to analyze website performance, identify areas for improvement, and implement data-driven solutions. My expertise in keyword research, site performance optimization, and mobile SEO has enabled me to drive significant increases in organic traffic and search rankings for Ed-Tech and B2B clients.

I am well-versed in the latest SEO trends and best practices, including Core Web Vitals, Schema Markup, and GEO (Generative Engine Optimisation). My experience with website audits, backlink analysis, and competitor analysis has allowed me to identify opportunities for growth and develop targeted strategies to improve online visibility. I am also skilled in social media marketing (SMM) and have a solid understanding of HTML, which enables me to collaborate effectively with cross-functional teams to drive SEO success.

I am excited about the opportunity to bring my skills and experience to your company and contribute to the development of effective SEO strategies that drive business growth. Thank you for considering my application. I look forward to discussing my qualifications further.
